A GUIDE TO PUBLIC ACCOUNTS

1. SCOPE OF THE PUBLIC ACCOUNTS

The 2003-2004 Public Accounts of the Province of Ontario comprise the **Annual Report and Financial Statements** and three volumes:

Volume 1 contains the Consolidated Revenue Fund schedules and Ministry statements. It provides a comparison of actual expenses to appropriations. The Consolidated Revenue Fund reflects the financial activities of ministries on an accrual basis.

Volume 2 contains the financial statements of significant provincial crown corporations, boards and commissions which are part of the government's reporting entity and other miscellaneous financial statements.

Volume 3 contains detailed schedules of payments made from the Consolidated Revenue Fund by ministries to employees, vendors and transfer payment recipients. It also contains the Ontario Public Sector Salary Disclosure.

2. A GUIDE TO VOLUME 3 OF THE PUBLIC ACCOUNTS

Detailed schedules of cash payments made by ministries are listed under the categories below. Transactions between ministries are not reported in this volume.

(1) Voted Appropriations

(a) Salaries and Wages
Suppliers of temporary help services who received payments equal to or exceeding $50,000 are listed here. Public service, Crown and Other employees receiving payments equal to or exceeding $100,000 are listed in the Public Sector Salary Disclosure.

(b) Employee Benefits
As the employer, Management Board Secretariat makes payments on behalf of all ministries to suppliers for employee benefits. Payments equal to or exceeding $50,000 made directly to a supplier by the ministry for employee benefits are listed here.

(c) Travel
Employee Travel payments equal to or exceeding $10,000 are listed alphabetically by employee. Travel payments made for Ministers, Parliamentary Assistants and Deputy Ministers are included regardless of amount.

(d) Transfer Payments
Total payments for grants, subsidies or assistance to persons, businesses, non-commercial institutions, and other government bodies equal to or exceeding $120,000 are listed under various subheadings appropriate to the individual ministry.

(e) Other Payments
All other payments to suppliers of goods and services, to debtors under loan agreements, investments in the shares of Crown corporations or other entities, acquisition and construction of buildings and roads, acquisition of land and special transactions such as interest incentives and subsidies, guarantees honoured, losses on loans and repayable grants equal to or exceeding $50,000 are listed here.

(2) Statutory Payments
All payments made for statutory appropriations are listed here individually regardless of the amount.

GUIDE D'INTERPRÉTATION DES COMPTES PUBLICS

1. PRÉSENTATION DES COMPTES PUBLICS

Les *Comptes publics* de la province de l'Ontario pour 2003-2004 comprennent le **Rapport annuel et États financiers** et sont présentés en trois volumes :

Le **volume 1** contient les annexes pertinentes au Trésor et les états des ministères. Les dépenses réelles y sont comparées aux crédits votés. Les activités financières des différents ministères gouvernementaux sont inscrites au Trésor selon la méthode de comptabilité d'exercice.

Le **volume 2** contient les états financiers des principaux conseils, commissions et sociétés de la Couronne du gouvernement provincial qui font partie de l'entité comptable, ainsi que certains autres états financiers.

Le **volume 3** contient le détail des paiements faits à partir du Trésor par les ministères et versés aux employés, aux fournisseurs et aux bénéficiaires de paiements de transfert. Il contient également les traitements divulgués en vertu de la *Loi de 1996 sur la divulgation des traitements dans le secteur public*.

2. GUIDE D'INTERPRÉTATION DU VOLUME 3 DES COMPTES PUBLICS

Les détails des paiements faits par les ministères sont présentés selon les catégories suivantes. Sont exclues les transactions entre ministères.

(1) Crédits votés

(a) Traitements et salaires
Les fournisseurs de services de personnel temporaire qui ont reçu des paiements cumulés supérieurs à 50 000 $ sont énumérés ici. Les employés de la fonction publique, de la Couronne et autres qui reçoivent des paiements égaux ou supérieurs à 100 000 $ sont indiqués dans la section sur la divulgation des traitements dans le secteur public.

(b) Avantages sociaux
À titre d'employeur, le Secrétariat du Conseil de gestion fait des paiements aux fournisseurs au nom de tous les ministères pour les avantages sociaux. Les paiements égaux ou supérieurs à 50 000 $ faits directement à un fournisseur par le ministère au titre des avantages sociaux sont indiqués ici.

(c) Frais de déplacement
Les noms des fonctionnaires dont les frais de déplacement sont supérieurs à 10 000 $ sont indiqués par ordre alphabétique. Les frais de déplacement des ministres, adjoints parlementaires et sous-ministres sont indiqués sans qu'il soit tenu compte des montants en cause.

(d) Paiements de transfert
Les subventions, subsides et différents versements effectués à des particuliers, entreprises, organismes sans but lucratif et autres organismes gouvernementaux qui sont égaux ou supérieurs à 120 000 $ sont indiqués sous les différentes rubriques de chaque ministère.

(d) Autres paiements
Tous les autres paiements aux fournisseurs de biens et de services ainsi qu'aux débiteurs en vertu de conventions de prêt, les investissements dans les sociétés de la Couronne ou d'autres entités, l'acquisition et la construction d'immeubles et de routes, l'acquisition de terres et les opérations particulières comme les bonifications d'intérêts et les subsides, les garanties honorées, les pertes sur les prêts et les subventions remboursables qui sont égaux ou supérieurs à 50 000 $ sont indiqués ici.

(2) Crédits législatifs
Les montants versés sont indiqués aux postes individuels des crédits législatifs sans égard au montant.

ONTARIO PUBLIC SECTOR SALARY DISCLOSURE

The *Public Sector Salary Disclosure Act, 1996* requires employers in the public sector to disclose the names, positions, salaries and taxable benefits of those employees paid $100,000 or more during the previous calendar year. In accordance with the Act, the following information was made publicly available on April 1, 2004 and is provided again as part of the Province's annual reporting.

SALARY - The amount shown as "salary paid" in this compendium may not represent the employee's annual rate of salary in 2003. The salary required to be made public under the *Public Salary Disclosure Act, 1996* reflects the amount to be reported to Revenue Canada on the employer's T-4 slip for the employee. The "T-4 amounts" may include components that relate to a year prior to 2003. These may result, for example, from retroactive revisions to salary scales, from grievance payments or from vacation pay-outs upon exit from employment. Note also that the "T-4 amounts" may exceed the employee's annual rate of salary if the employee worked overtime during the year. The "T-4 amounts" may be less than the annual rate of salary if the employee worked only part of a year.

TAXABLE BENEFITS - The amount shown as taxable benefits is the amount shown on the T-4 slip as prepared for Revenue Canada. These amounts can include free or subsidized housing, board and lodging, travel in a designated area, personal use of employer's vehicle, interest free and low-interest loans, stock option benefits (generally not applicable to the public sector), other payments made on behalf of the employee such as relocation costs, employer contributions for basic life insurance and tuition reimbursements.

DIVULGATION DES TRAITEMENTS DANS LE SECTEUR PUBLIC DE L'ONTARIO

La *Loi de 1996 sur la divulgation des traitements dans le secteur public* exige que les organisations qui reçoivent des fonds publics divulguent annuellement les noms, postes, traitements et avantages imposables des employés qui touchent 100 000 $ ou plus par année. Conformément à la Loi, cette information a été rendue publique le 1er avril 2004 et est retransmise ici dans le cadre de la publication annuelle des renseignements financiers de la province.

SALAIRE - Le montant qui figure au « traitement versé » n'est pas nécessairement représentatif du taux de rémunération annuelle de l'employé ou de l'employée en 2003. Le traitement qui doit être rendu public en vertu de la *Loi de 1996 sur la divulgation des traitements dans le secteur public* est le montant qui figure sur le feuillet T4 de Revenu Canada au nom de l'employé. Les « montants du T-4 » peuvent comprendre des éléments qui portent sur une année antérieure à 2003. Il peut s'agir, par exemple, de modifications rétroactives des échelles salariales, d'un règlement faisant suite à un grief ou de rémunération versée pour des jours de congé dûs lors d'une cession d'emploi. Il se peut également les « montants du T-4 » soient supérieurs au taux de rémunération annuelle si l'employé ou l'employée a travaillé des heures supplémentaires durant l'année. Le montant figurant sur le T-4 peut être inférieur au taux de rémunération annuelle si l'employé ou l'employée n'a travaillé qu'une partie de l'année.

AVANTAGES IMPOSABLES - Le montant des avantages imposables est le montant qui figure sur le feuillet T4 que l'on remplit pour Revenu Canada. Ce montant peut comprendre un logement gratuit ou subventionné, des logements et repas, des déplacements dans une région désignée, l'utilisation personnelle d'un véhicule de l'employeur, des avantages consentis sous forme de prêts sans intérêt ou à faible taux d'intérêt, des avantages tirés d'une option d'achat d'actions (ceci ne s'applique généralement pas au secteur public), d'autres versements consentis à un employé ou à une employée comme les coûts de réinstallation, les cotisations patronales à une assurance-vie de base, ainsi que les remboursements de frais de scolarité.
