## **Details of Grants, Supplies, Services, Capital Assets and Other Payments, by Payee**

**For the Year Ended March 31, 2003**

### **Introduction**

Section 17(c) of the Government Accountability Act authorizes the Minister of Finance to report any supplementary financial information that she requires.

This report shows selected payments made by the General Revenue Fund of the Government of Alberta.

Grant payments over \$5,000, Supplies, Services, Purchases of Capital Assets and Other Payments over \$10,000 are listed by payee by Department that made the payment in alphabetical order. Payments under the respective reporting limits are collectively shown as Sundry payments. Payee names are listed only if individual payments in aggregate exceed the respective reporting limits.

Alberta statutes prohibit the disclosure of the names of certain grant recipients. As such, those payments are shown under the respective program names. Payments made by a Department on behalf of another Department are reported under the name of the Department that made the payment.
