Public Highways — Physical Maintenance

The total expenditure shown for each Highway includes expenditures on the following adjacent facilities:

- Community Access Roads
- Industrial Access Roads
- Recreation and Tourist Facilities

Expenditures shown opposite the description of each section of Highway, or adjacent facility, include all maintenance expenditures directly attributable to that section, except for Bridge Maintenance, which is shown separately and immediately following the section of roadway to which it applies.

Bridge Maintenance expenditures are identified by land location in the sub-divided portion of the province.

Public Highways

The total expenditure shown for each Highway includes expenditures on the following adjacent roadway facilities:

- Community Access Roads
- Industrial Access Roads
- Recreation and Tourist Facilities

Expenditures shown opposite the description of each section of a Highway, or adjacent facility, include all roadway and engineering expenditures directly attributable to that section, except Right of Way acquisition and Bridge Construction expenditures, which are shown separately and immediately following the section of roadway to which they apply.

Bridge expenditures are identified by land location.
