Scope of The Public Accounts

The 1990-91 Public Accounts of the Province of Saskatchewan are organized into three reports:

Volume 1 contains the financial statements of the Consolidated Fund, the Saskatchewan Heritage Fund and a combination of these two funds, known as the Combined Funds. Volume 1 also contains a schedule of summary information on superannuation, trust and special purpose funds for which the Minister of Finance has administrative responsibility.

Volume 2 contains details on the expenditures and revenues of the Consolidated Fund and the Saskatchewan Heritage Fund. Volume 2 also contains a listing of remissions of taxes and fees.

A two-part report, known as the **Compendium of Financial Statements** is comprised of the financial statements of various government boards, agencies, commissions, superannuation funds, special purpose funds and institutions as well as those Crown corporations which are accountable to the Treasury Board. Financial statements for Crown corporations that are accountable to the Crown Management Board appear in a separate compendium of annual reports compiled by the Crown Management Board.

Guide to Volume 2

Volume 2 reports details of revenue and expenditure by department for both the Consolidated Fund and the Saskatchewan Heritage Fund. In addition, Volume 2 provides a listing of remissions of taxes and fees.

Information for the Consolidated Fund and for the Saskatchewan Heritage Fund is organized and reported as follows:

1. A schedule of revenue by department and source.
2. Schedules comparing appropriations and expenditures by department as well as by program.
3. Details of expenditure by department. These details are organized as follows:

Expenditure Summary — A matrix showing the amount spent for each program area (subvote). A program area is a major grouping of functions performed or delivered by a department, e.g. Child Care, Grants to Schools, Administration. Expenditures are grouped into major categories described below:

- **Personal Services — General**

Salaries, wages, honorariums and compensation paid to employees, as well as others who provide personal services.

- **Personal Service — Extraordinary**

Amounts paid as compensation upon severance of employment.

- **Supplies and Services**

Expenditures for the acquisition of supplies and services used or required to carry out programs.

- **Advertising**

Expenditures for promotion of programs.

- **Travel**

Travel expenditures incurred by employees, Members of the Legislative Assembly, and others who provide personal services to the government.

- **Contractual Services**

Expenditures for a wide variety of specialized professional services provided to departments.

- **Grants**

Payments to local authorities and other third parties as well as to or on behalf of individuals.

- **Equipment and Other Assets**

Expenditures for the purchase of equipment and other assets used by departments in the delivery of government programs.

- **Other Expenditures**

Expenditures which do not fit in any of the above categories.

Grant Payments — Listings, by program, of grant recipients who received \$5,000 or more. Income security programs are excluded due to the confidential and personal nature of the information. In addition, very high volume programs of a universal nature are excluded.

Personal Services — A list of individuals (excluding unionized employees) who received payments of \$2,500 or more for salaries, wages, honorariums and compensation for personal service.

Other Payments — A list of payees who received \$20,000 or more for purposes other than grants or personal services.

Additional information is reported for two departments:

- Highways — A report on major maintenance and capital expenditures by highway.
- Legislation — Schedules of payments to Members of the Legislative Assembly for serving on Committees and Boards as well as for their indemnities, allowances and expenses as members.

Other Information

Volume 2 lists individuals or companies that were granted remissions of taxes or fees. A remission is a return of or an exemption from liability to pay a tax, royalty, rental or fee payable to the Crown. Section 60 of *The Financial Administration Act* and also Section 42 of *The Revenue and Financial Services Act* provide that the Lieutenant Governor in Council may grant remissions where he/she "considers it to be conducive to the public good or that great public inconvenience or great hardship or injustice to persons would otherwise ensue". Both Acts permit the Minister of Finance to grant remissions where the amount is not greater than \$1,000.
